PROF. E. E. SCHOLL BE-
FARMERS' INSTITUTE
RE THIS AFTERNOON.

Clerk Sam H. Dixon of the department of agriculture, and E. E. Scholl, assistant zoologist at A. & M. College, are Palestine today, and they come on a most important mission. These gentlemen are present engaged in making demonstrations of the use of the spray against fungus diseases of fruit. Mr. John F. Nash, president of Anderson County Farmers' Institute, is the demonstration in charge. A meeting of the institute boys' corn club to be present at the benefit of the demonstration. This afternoon the party will visit the fruit farm of Mr. Ezell, in the city, where the demonstration will be conducted. This is an important matter for the fruit growers, and no doubt many have taken the opportunity to learn of the treatment of dis-

At the Lyric. Management says: The Lyric Theatre, the

contains all the elements of the best vaudeville. Tonight the vaudeville team of Billy and May Owens will present their laughable comedy sketch, "Jack's Proposal." This is said to be one of the best comedy playlets ever written for a vaudeville team and abounds in good, rich, wholesome fun from beginning to end. During the act some clever singing and novelty dancing will be introduced. The motion photographs will be in evidence also and there is no doubt of the high character of this entire offering. A better bill could not be put together. No reserved seats and no advance in prices.

THOMAS TO SPEAK

THE "EXPULSED" SENATOR WILL ADDRESS THE PEOPLE OF PALESTINE ON THE STREET THIS EVENING.

Palestine has as a visitor today Mr. Bascom H. Thomas, state senator, known as the "expelled senator," and the man who claims he had the steam roller run over him at Austin.

Mr. Thomas will speak on the street this evening, on Spring street, in front of the Palestine National Bank.

The senator says he will take as his subject "The Evils of the Lobby, Graft and Corruption at Austin, and Why I Was Expelled From the Senate."

It will be remembered that Mr. Thomas was expelled from the senate for attacking the lobby and for charging graft on the part of the Texas legislature, which he failed to sustain. Afterward he was re-elected by the people of his district and went back. Mr. Thomas promises to say some interesting things, and wants a hearing of the voters of this town.

VISITORS ARE HERE

General Passenger and Industrial Agents Are Being Shown the Town—Smoker Tonight.

This afternoon there arrived in the city a lively bunch of men, the general passenger and industrial agents of the Missouri Pacific system—the Iron Mountain, Texas and Pacific and I. & G. N., with headquarters in Chicago, Pittsburg, Indianapolis, Cleveland, Detroit, Cincinnati and other eastern cities. There are less than a dozen of the visitors, but they are live wires. Members of the Board of Trade have been in town this afternoon, and have been taken in automobiles to the town.

A smoker is to be tendered at the Board of Trade rooms, from 7 to 9, and it is the earnest desire of the Board that every member, and other citizens call between these hours to meet these gentlemen and on the occasion.

A Testimonial.

Mr. H. O. Jameson, Principal of the Palestine School of Business, Palestine, Tex. Dear Sir:—In your favor of the 25th inst. I have in response to your census form, a part of which is cheerfully in the margin.

Miss W. Moore the past year, glad to have been afforded the opportunity to make a testimonial to the excellence of the Walker stenographic system.

office, and I have had no occasion to make any complaint about her work, but on the contrary, I have been highly pleased with it. Outside of this correspondence both of the young ladies have assisted in practically all of the other work which is required to be done in this office, some of which has been purely clerical, but a large portion of it has been somewhat executive, and they have acquitted themselves excellently and have given evidence of a prior and an elementary training, which speaks well for your institution. A great deal of this work has consisted of much detail and has not only called for extreme care, but also for the exercise of good judgment, and the result of the work of these young ladies has not been in the least disappointing to me.

I am glad to be afforded the opportunity to write you this letter, and I am sure that what I have said is a simple act of justice to these young ladies and to the thoroughness of the training by your institution, and I trust that what I have said will be understood in that way, and in that way only.

Very respectfully yours, James W. Madden, Supervisor.
